### Fuel Performance

![Graph showing fuel performance](image)

### Features and Benefits

#### Unsurpassed Quality & Reliability

BOLLARD™ Generators are designed and built in the USA specifically for the rugged conditions of commercial use. The expected time between overhauls on the BOLLARD™ packaged generator set is 40 to 50 thousand hours.

#### 1: High Efficiency Generators

Heavy Duty windings engineered for 80°C rise of 40°C ambient yield extended insulation service life, high electrical efficiency for maximum fuel economy, and superior motor starting at all voltages. PMG dedicated excitation is standard, resulting in even higher motor starting together with 300% sustained short circuit capacity along with VFD and paralleling compatibility.

#### Emissions

BOLLARD™ MG60 – MG 395 Gen-Sets are EPA certified Tier 3 Marine, CARB, EU, and MOC. They meet the lowest emissions levels available on the market today without exhaust after-treatment resulting in reduced maintenance and operating costs while preserving our clean air and water quality.

#### Keel Cooling, Heat Exchange, or Radiator Compatibility

Premium Marine Grade Protection

BOLLARD™ generators feature Imron™ 2 part marine epoxy overcoats on the engine, generator, and base frame. Accessory brackets are typically powder coated, and fasteners are primarily stainless steel to protect your investment from the harsh marine environment.

#### 2: Heavy Duty Structural Steel Base Frame & Reduced Noise

For ease of installation, added structural integrity, safety and durability. Superior vibration and noise dampening with a high mass flywheel, polyurethane vibration isolators, mass loaded & stiffened base frame, and de-noised engine.

#### 3: Heavy Duty Air Intake Filtration & Silencing

For increased performance, extended engine life, and quiet operation

#### Controls, Gauges, & Instrumentation

Standard enclosed pre-wired J1939 digital control panel with key start/stop and run/idle switch. Safety shutdowns are programmed for high water temp, low oil pressure, and over-speed. Included are LED readout of all J1939 trouble codes and diagnostics. Custom panels offer, auto-start/stop function for inverter or paralleling interface, load sharing, digital generator output LEDs and full function electrical distribution switchboards.

#### Optional SEADRIVE™ Front Power Take Off System

Compact heavy duty housing, pre-aligned, easy to install, service friendly, integrated torsional coupling, and available with or without a clutch.
Dimensions

**Customizable Options and Accessories**

**Engine**
- Single Circuit Keel Cooling Package
- Single Circuit Heat Exchange Package
- Single Circuit Marine Radiator Package

**Motor Starting Upgrade Options**
- (Code G Motor @ 208VAC)
  - Up to 1:1 HP per kW

**Air Intake & Filtration**
- K&N Air Filters
- Donaldson Air Silencer
- Closed Crank Case Vent Loop

**Controls & Instrumentation**
- Control Panel
- Custom Harness Length
- Auxiliary Start Panel
- Auto Start/Stop
- Pre-Alarm Senders
- AC Meter Panel
- Low Coolant Level Shutdown
- High Water Temp. Shutdown
- Low Oil Pressure Shutdown
- Low Oil Level Gauge/Shut down
- Overspeed Shutdown
- Paralleling & Load Share
- Over-Voltage Alarm
- Over-Current Alarm
- Under-Current Alarm

**DC Electrical System**
- Battery: 12v | 24v
- Battery Rack & Cables
- Battery Isolation Switch

**Fuel-Lube Oil System**
- SCOR™ Oil Regeneration System
- Oil Drain Extension W/ Valve
- Oil Drain Pump To Engine
- Move Dipstick To Opposite Side
- High/Low Oil Level Shut Down
- Custom Oil Drain Hose Length
- Single Side Service
- Lube Oil Drip Pan

**Exhaust**
- SS Wet Exhaust Mixing Elbow
- Dry Exhaust Matching Flange
- SUPERFLEX™ Exhaust Bellows
- Cowl & EM Exhaust Silencers
- Heat Recovery Silencer

**Additional Options**
- Sea Trial Start Up
- MER Site Start Up w/ Load Bank
- Custom Frame / Skid
- Dual Vibration Isolation Mounts
- Custom Sound Enclosure
- Galvanized or Powder Coated Skids & Accessories
- Racor Fuel Water Separator

**Power Take Off**
- SEADRIVE™ Clutched Front PTO
- Clutch: Air | Oil | Electric
- SEADRIVE™ Direct Drive Front PTO
- Aux. A/B 2 Sheave Universal Pulley
- Aux. A/B 4 Sheave Universal Pulley
- Additional Belts
